Melnichuk Dmitrii

SKILLS

`Python` (`Streamlit` , `Scikit-learn` , `TensorFlow` , `Keras` , `PyTorch` , `Pandas`)
`R` (`tsibble` , `anomalize` , `shiny` , `ggplot2`)
`SQL` , `MongoDB`
`Docker` , `Jenkins` , `Postman`
`Microsoft Excel` , `Tableau`
`JavaScript` , `HTML` , `CSS` , `LaTeX` , `Linux(bash)` , `Git`

WORK EXPERIENCE

Startups (clients: England, Canada)   Sep 2021 to present
- Market analysis and evaluation (`Python` and `R`).
- Gathering functional requirements for web service development.
- Develop of crypto indicators and realization in charts (`highcharts`).
- Visualization of analytics (`Tableau`).
- Prototyping a web application (`Streamlit`).

SARATOV STATE UNIVERSITY   Jan 2019 to present
Assistant. Department of Functions and Approximations Theory.
- Deep Learning (lections and practice)
- Machine Learning (lections and practice)
- Data analysis with R (lections and practice)
- Computer science and c++ programming (practice)

EDUCATION

SARATOV STATE UNIVERSITY   2017 - 2022
Ph.D. Faculty of Computer Science and Information Technologies.

SARATOV STATE UNIVERSITY   2015 - 2017
M.Sc. Faculty of Computer Science and Information Technologies.
Applied mathematics and informatics

SARATOV STATE UNIVERSITY   2011 - 2015
B.Sc. Faculty of Computer Science and Information Technologies.
Mathematical support and administration of information systems

LANGUAGES

Russian: Native Language
English: Intermediate
